Salina Home Destroyed by Fire

Town of Salina, New York – The Onondaga County Sheriff's Office reports that Sheriff's Deputies are investigating an overnight structure fire that occurred in the town of Salina.

At approximately 12:30 am this morning, Sheriff's Deputies along with firefighters from the Liverpool Fire Department and surrounding districts, responded to a reported house fire at 104 Victoria Park Drive. A nearby neighbor called 911 after observing flames in the rear of the home. When deputies arrived on scene they were unable to determine whether the house was occupied due to the progression of the fire, which had consumed most of the house. After talking with several neighbors, deputies learned that the house had been recently purchased and was undergoing renovations. It took firefighter approximately 80 minutes to get the fire under control and extinguished.

Deputies were able to notify the homeowner, Nicholas Wendt, who responded to the scene and confirmed that the house was vacant.

The Onondaga County Fire Investigators are currently conducting an investigation into the cause of the fire.
