## **Deputies Investigate Body Discovered at Liverpool Recycling Plant**

**Town of Clay, New York** – The Onondaga County Sheriff's Office reports that Sheriff's Deputies are investigating a suspicious death after a body is discovered this morning at a recycling plant in the Town of Clay.

At approximately 10:43 am this morning, Sheriff's Deputies responded to the Waste Management Recycling Plant located at 4550 Steelway Blvd South after an employee discovered a body inside a bale of recyclable material. Deputies investigating the incident say the body is of a male who appears to be between the ages of 25 to 40.

Detectives assigned to the Criminal Investigations Division were called to the scene and are actively reviewing the facts and circumstances surrounding the incident. The body was later transported to the Onondaga County Medical Examiner's Office, where an autopsy will be performed in an attempt to determine the identity of the male and the cause of death.

Anyone with information is asked to call the Criminal Investigations Division at 315-435-3081.
