Deputies Investigate Crash That Seriously Injures Motorcyclist

Town of Salina, New York – The Onondaga County Sheriff's Office is currently investigating a crash involving a motorcycle and vehicle that occurred late last night on Malden Road in Mattydale.

Last night at approximately 11:50 pm, Deputies responded to a crash involving a motorcycle and a vehicle on Malden Road at the intersection with Wright Avenue. Deputies investigating the crash say the driver of a Subaru Impreza was turning onto Malden Road from Wright Avenue when the vehicle entered into the path of an eastbound Harley Davidson motorcycle. Witnesses tell deputies that the motorcycle was traveling at a high rate of speed prior to the collision. The motorcyclist suffered serious injuries after being thrown several yards off the bike. He was transported to Upstate University Hospital where he is currently listed in critical condition. The driver and passenger of the Subaru suffered minor injuries and were treated at the scene.

Deputies say speed and alcohol appear to be a factor in the crash, which is still under investigation at this time.

Malden Road between Brewerton Road and Plymouth Avenue was closed for several hours while members of the Sheriff's Office Accident Investigation Team processed the crash scene. The road has since reopened.
