Two Charged Following Drug Investigation

Town of Onondaga, New York – The Onondaga County Sheriff's Office reports that two people are facing drug charges after narcotics are discovered in an apartment in the Town of Clay.

Detectives assigned to the Sheriff's Office Special Investigations Unit, executed a search warrant Thursday evening at the Kingswood Gardens Apartments located at 1150 Vine Street in the Town of Clay, following a several week long investigation into drug activity and complaints received from the apartment complex.

Subsequent search of the apartment by detectives resulted in the recovery of over 400 bags of heroin, packaged in a manner consistent with street-level sales, 4 grams of crack cocaine, over 6 grams of cocaine and 1 gram of marijuana, for a total street value of approximately \$5,000.

Detectives charged both Willie Scott (26) of 1150 Vine Street, Liverpool, and Eric Omalley (22) of 17 Kings Court, Camillus, with three counts each of criminal possession of a controlled substance in the 3rd, 4th and 7th degree, and criminally using drug paraphernalia in the 2nd degree. Both men were held overnight in the Justice Center and arraigned Friday morning in the Town of Clay Court before Judge Brian Lauri, who set bail at \$5,000 cash or bond for Scott and released Omalley on pre-trial proceedings.
