## Deputies Investigate Threat against School Employee

**Town of Salina, New York-**The Onondaga County Sheriff's Office reports that deputies are currently investigating an incident that occurred this afternoon involving an individual who threatened to harm a North Syracuse School District employee.

This afternoon at approximately 1:15 p.m., deputies responded to the Roxboro Road Campus Schools after receiving information from the 911 Center about a domestic dispute that occurred in the City of Syracuse involving an intoxicated man who left the scene after allegedly making statements he was headed to the school to physically harm his significant other. The Sheriff's School Resource Officer along with school administrators were immediately notified and the school was placed in a lock out with all exterior doors being locked for the safety of the students and staff members within the building. The SRO located the intended school employee, who was unaware of the threat, while responding deputies checked the perimeter of the school for the man.

Deputies eventually spotted the man operating a vehicle a few blocks from the school where the vehicle was stopped and the man was taken into custody. School officials lifted the lock out shortly before 2:30 p.m. and deputies continue to investigate the incident.

Further information will be made available as deputies are still in the preliminary stages of the investigation.
